The pupils who made less than two full levels of progress within English and Maths joined Middleton School during Years Five and Six. The assessments made at the end of KS1 were carried out in the pupil's previous settings. If we eliminate all pupils who joined the school during KS2, then we are left with eight pupils who were assessed at the end of KS1 at Middleton and remained here at Middleton for the following four years. The tables below demonstrate the progress made by this cohort of pupils;

	Less than 2 levels	2 full levels	More than two levels	3 full levels	4 and 4+ full levels
