

# Capacity.

The amount that something can hold.

LO: Today I would like you to be able to recognise differences in quantity when comparing sets of objects.

**HALF FULL**  
Two equal parts

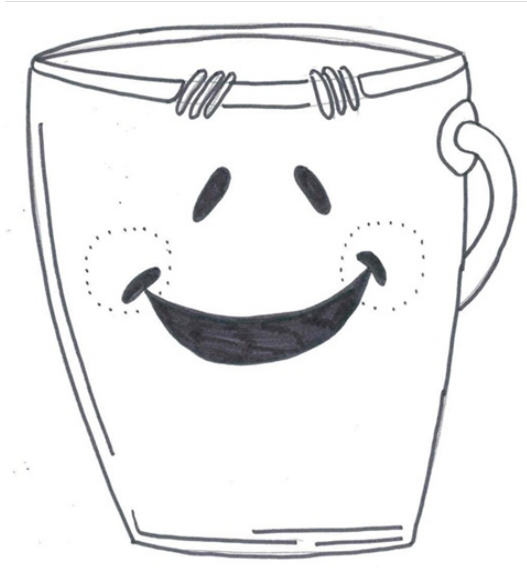

**EMPTY**

**FULL**

What would happen with we kept pouring?

Demonstrate with container/glass

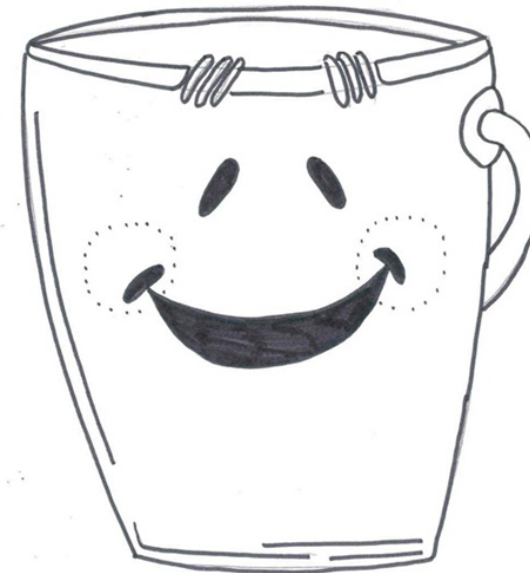

Which bucket is full, half full and empty?

Which bucket is full, half full and empty?

Which bucket is full, half full and empty?

# Colour in the buckets to half full.

# Colour in the buckets to full.

Colour the containers to show full, half full and empty.
