

Friday 8th May 2020- VE Day Morse Code

Morse code is a way to send messages without using words. They used it during WWII. The code has its own alphabet made up of short and long sounds or flashes of light.

Your challenge is to:

1. Translate the messages using the Morse code alphabet.
2. Send a message to a parent or sibling using a torch or something that beeps. Have they understood your message?
