# Nature crown

1. Collect nature from your garden, park or when you go out for a walk.
2. Use leaves, petals, flowers, sticks or anything else you can find.
3. Using card or paper, cut the crown.
4. Measure around your head, to make sure it will fit.
5. Using glue, stick the nature items that you have collected on to the crown and decorate.
6. Wait for the glue to dry.
7. Then attach each end together using glue or tape.
8. Wear the crown.
