Since 2017, schools are required to publish how many pupils within their year 6 cohort are meeting the national curriculum requirement to swim competently, confidently and proficiently over a distance of at least 25 metres, use a range of strokes effectively and perform safe self-rescue in different water-based situations.

At Middleton School all pupils swim every week. It is an important part of our curriculum both in terms of fitness and safety. Within our current Year 6 cohort of 12 pupils 6 are able to swim competently and proficiently over 25 metres. They can also tread water effectively and submerge themselves three times. They have not had experienced practising safe self rescue.
