

Pupil Premium Strategy 2020/21

Middleton School SLT have analysed the specific barriers to learning for individual pupils and used this information to make decisions about the objectives to be addressed by Pupil Premium spending for the academic year 2020- 2021. The total expected income for the Financial Year 20/21 is **£39,660**. All pupils at Middleton School benefit from the provision for those in receipt of Pupil Premium because some of the interventions, although prioritised for Pupil Premium are open to all.

The impact of the pupil premium spend will be measured in progress in literacy, numeracy and PSHE over the academic year.

The next review of the pupil premium strategy will be at the end of the financial year 20/21

Record of Pupil Premium Grant Spending by Item / Project 2019-2020				
Year Group	Item / Project	Cost	Objective	Outcome
Targeted 'skills for life' after school club for PP children.	Club Extended school day	£1,500	To further develop life skills with a range of PP pupils in Upper Key Stage Two. Pupils will prepare and eat a meal and learn a range of basic life skills	Improved self-esteem, confidence and social skills which, in turn, support progress across the curriculum. Particular impact is expected within PSHE. Opportunity to develop and learn new skills and to work alongside a different peer group and staff.
The PP Cohort	A day trip out to experience a 'forest school'	£600	To explore new experiences and build trusting relationships with others.	Pupils experience activities they wouldn't usually have the opportunity to try. Pupils feel empowered and experience a rise in self esteem.
Whole school	Training of staff in 'Rebound Therapy'	£1,200	To allow pupils to explore feelings, emotions, physical and sensory development through the use of Rebound Therapy. Opportunity to explore new experiences.	Improved gross motor skills. Improved pupil mental well being. Raise in self confidence.
Targeted pupils	1;1 art therapy sessions for pupils with an identified need	£1,000	To provide a therapeutic approach to self expression, improving personal well being.	Improved self-esteem and self-worth. More effective communication and self expression. Reduced incidents of anti social behaviour.
PP targeted pupils	1;1 regular reading session	£500	To provide dedicated sessions to improve performance within reading.	Progress in reading attainment. Experience a wider range of texts/ literature. Building positive relationships.
Whole School	Additional Staff	£14,000	Improving the opportunities for pupils to access differentiated learning within the curriculum. To provide smaller focussed groups in particular for phonics, reading and number.	Pupils have access to differentiated learning within the classroom or within specialist curriculum areas. Pupil progress evident within reading, writing and number.
Targeted pupils +Whole School	Jigsaw Initiative – specialised resources, room and staffing.	£18,000	To provide specific targeted learning opportunities for pupils who need a more sensory and focused environment whilst providing the opportunity for booster sessions for those left in class.	All pupils, whether directly attending Jigsaw or not will benefit from smaller groups and more personalised curriculum. Individual pupil progress evident.
Whole School	Development of a Pupil Well Being Team and staff training.	£2,880	To enable staff to gain knowledge and expertise within the area of pupil well being. To initiate whole school well being projects.	Pupils have improved mental health. Positive and calm learning environment. Pupil progress evident within core areas of the curriculum.
