

Child Looked After Policy

**Reviewed June 2020
Ratified by Governors June 2020
Due for Review June 2022**

Introduction

Middleton School promotes the achievement of Looked After Children who may also face additional barriers because of their race, ethnicity, religion and beliefs, sexual orientation or because they are disabled. This policy sets out the ethos of the schools in their approach to meeting the needs of looked after children but also the procedures that will ensure participation in high quality learning and progress.

Rationale

Schools are key in helping to raise the educational standards and improving the life chances of looked after children and in tackling the causes of social exclusion through careful planning, monitoring and evaluation. Schools can also provide a source of continuity and "normality" for children who may have been subject to emotional distress, abuse, and disruption. School can be the place where children maintain friendships and a place where they feel safe and can be themselves. Raising levels of achievement has been strongly and clearly highlighted as a major factor in the improvement of the life chances of looked after children and schools play a pivotal role in this.

Definition

The Children Act (1989) introduced changes in terminology. The term 'in care' now refers solely to children who are subject to Care Orders. Children who are cared for on a voluntary basis are 'accommodated' by the local authority. Both these groups are said to be 'looked after children' (LAC) or children in care or 'children looked after' (CLA) by the local authority, the term used by Hertfordshire. Accommodated children also include those in receipt of respite care – if it exceeds 20 days in one episode or over 120 days a year.

It is important not to confuse a young person's legal status with their living arrangements. For example, a child on a Care Order can be living with:

- ✚ Foster carers
- ✚ In a children's home
- ✚ In a residential school
- ✚ With relatives, or
- ✚ Even with parents – under supervision of Children's Services

Similarly, an 'accommodated' child can be living:

- ✚ In foster care
- ✚ In a children's home, or
- ✚ In a residential school

This policy incorporates requirements set out in the statutory guidance on the duty on local authorities to promote the educational achievement of looked after children under section 52 of the Children Act 2004, the Role and Responsibilities of the Designated Teacher – Statutory Guidance for School Governors (2009) and the Hertfordshire Policy Statement on Children Looked After and should be read in conjunction with it. All schools have been issued with a copy of each document and may also refer to the Virtual School page on the Hertfordshire GRID for Learning, www.thegrid.org.uk/virtualschool.

The Children and Families Act 2014 amends section 22 of the Children Act 1989 to require every local authority in England to appoint an officer employed by the authority, or another authority, to make sure that its duty to promote the educational achievement of its looked after children is properly discharged. This officer is referred to as the Virtual School Head (VSH). In Hertfordshire, Felicity Evans is the Virtual School Head.

It is also important to remember that while Parental Responsibility (PR) for the young person normally

lies with the Local Authority and/or the parents, responsibility for day to day decisions is often delegated to the foster carers or staff at the residential home. It is therefore important to ascertain who holds PR and what if any authority has been delegated to carers as soon as possible. Each case will be different as to who will have responsibility and who will need to be kept informed.

- ✦ The number of looked after pupils in the school;
- ✦ A comparison of progress as a discrete group, compared with those of other pupils in school and

The named governor should be satisfied that the school's policies and procedures ensure that looked-after pupils have equal access to:

- ✚ Public examinations;
- ✚ Additional interventions to support educational progress e.g. Making Good Progress

- ✚ Additional education support;
- ✚ Extracurricular activities;
- ✚ Work experience;

The named Governor is encouraged to support the Quality Assurance Process for schools, on the implementation of the role and responsibility of the Designated Teacher working with children looked after if offered to ensure and confirm the schools' best practice.

The named Governor will be expected to have completed an eLearn on-line learning module on the Education of Children Looked After (Governors edition) or similar available training.

Admission Arrangements

On admission, records will be requested from the pupil's previous school and a meeting will be held with carer/parent/Social Worker as appropriate – but always involving someone with parental responsibility. This will provide information to inform the Personal Education Plan (ePEP). An appropriate school induction must take place.

Involve the Young Person

It is important that a young person is aware that information is being recorded regarding their personal circumstances. How this is shared with them clearly depends on their age and understanding. The explanation should emphasise that the school, the Social Worker, and their carer(s) are working together to promote their education.

It is important that the young person is supported to complete the Pupil Voice section of the Personal Education Plan by the Designated Teacher to inform the ePEP and Care Plan review meetings

It is important to establish the child's view of their changed circumstances and what they want others to know. It is also important to ensure that a Social Worker/teacher/carer prepares the child for situations when they may be asked about home, e.g. by other pupils in the playground.

Communication with Other Agencies

Schools should ensure that a copy of all reports (e.g. End of year reports) should be forwarded to the young person's multi-agencies when appropriate. A copy should also be attached to the child's ePEP.

School, education and social work colleagues within Children's Services should endeavour to co-ordinate their review meetings, e.g. to have an Annual Statement or EHC plan Review and a Personal Education Plan or ePEP meeting or review.

Good communication is essential between professionals. It is important to exchange information between formal reviews if there are significant changes in the young person's circumstances, e.g. if the school is considering a change of course, there is a change of care placement or there are significant issues that will affect educational provision e.g. behaviour or attendance.

Assessment, Monitoring and Review Procedures

Each pupil in care will have a Care Plan that will include a Personal Education Plan (PEP) that is developed jointly by the Social Worker and Designated Teacher. This will identify specific areas of focus and include targets and associated actions to improve performance, progress or educational achievement. Areas for consideration will include:

- ✚ Achievement Record (academic or otherwise);
- ✚ Development needs (short and long term development of skills, knowledge or subject areas and experiences); and
- ✚ Long term plans and aspirations (targets including progress, career plans and aspirations);
- ✚ Educational Data so that progress may be easily tracked between Key Stages;
- ✚ Effective use of the Pupil Premium and evidence of impact;
- ✚ Extended learning opportunities;
- ✚ Involvement in Out of School Hours Activities;
- ✚ Special needs (if any);
- ✚ Attendance;
- ✚ Behaviour.

The ePEP will be updated and reviewed each term or at the point of any major change and contribute to the Statutory Reviewing process carried out by the Independent Reviewing Officer. The Designated Teacher is accountable for the implementation and review of the educational action to meet the targets within the Plan.

The named governor will report annually to the Governing Body on the progress of all children looked after against the key indicators outlined above.

Complaints

If a young person, parent or social worker wishes to complain about the provision or policy, they should in the first instance raise it with the Designated Teacher, who will try to resolve the situation. If the issue cannot be resolved within 10 days, the young person, carer or social worker can submit a formal complaint in writing to the Headteacher. The Headteacher will investigate the complaint and respond within 10 working days. Any issues that remain unresolved at this stage should be addressed through a meeting in order to assess the impact of any such complaint upon the young person's education. This meeting may include the named Governor and any other outside agency that both parties deem necessary to attend. This meeting should normally be held within 10 working days of the Headteacher's response.
