Teaching and support staff are responsible for:

Cost and Availability

In accordance with the School Admissions Code, Middleton School ensures that the School Uniform Policy does not discourage parents/carers from applying for a place for their child. The school is committed to meeting the DfE's recommendations on costs and value for money. Every care is taken to ensure that our uniforms are affordable for all pupils, and that the best value for money is secured through reputable suppliers. The school works with multiple suppliers to obtain the best value for money possible. Any savings negotiated are passed to parents where possible. The school does not enter into exclusive single supplier contracts or cash-back arrangements. The school does not amend uniform requirements regularly and takes the views of parents/carers and pupils into account when considering changes to school uniforms. Where changes are required, the school ensures that assistance is provided to parents/carers struggling to meet the associated costs.

In addition, the school acquires donated 'second hand' uniform. Uniform which is in good condition is washed and then made available to families in need.

Religious Clothing

Some religions and beliefs require their members to conform to a specific dress code. The school does not discriminate against any religion or belief; however, the school weighs the needs and rights of individual pupils against the health and safety concerns of the entire school community. Middleton School endeavours to allow religious requirements to be met, wherever possible. Parents'/carers' concerns and requests regarding religious clothing are dealt with on a case-by-case basis by the Head Teacher and Governing Body.

Discrimination

The uniform policy at Middleton School is inclusive and does not discriminate against gender or protected characteristics.

Reasonable adjustments to expectations with regard to uniform will always be considered and this is particularly pertinent as our pupils have a range of special educational needs.

Complaints and Challenges

The school endeavours to resolve all uniform complaints and challenges locally and informally, and in accordance with the school's Complaints Policy. To make a complaint, parents/carers should refer to the Complaints Policy and follow the stipulations outlined. When a complaint is received, the school works with parents/carers to arrive at a mutually acceptable outcome.
