By Sarah Mason

Step 1:

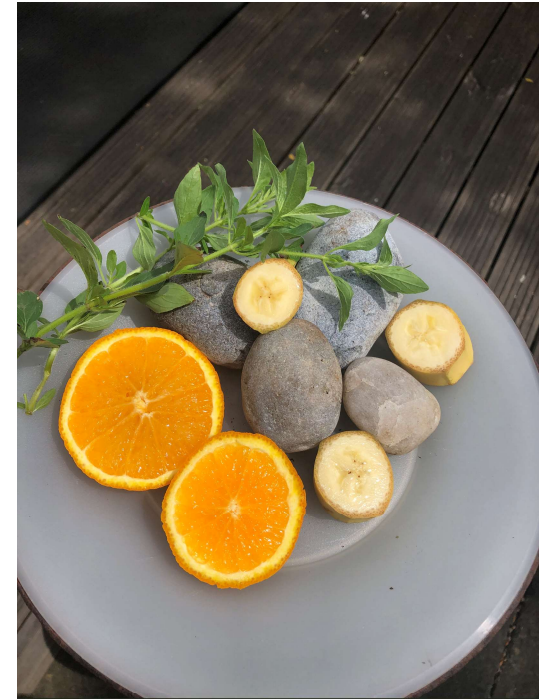

- First, choose some fruit that you think the butterflies will like to eat!
- Next, slice the fruit. If you find this tricky, ask an adult to help you.

Step 2:

- Collect a plate and some stones.
- Arrange the stones on the plate for the butterflies to stand on.

Step 3:

- Wander around your garden with an adult and collect some nice leaves.
- Add these leaves and your slices of fruit to the plate.

Step 4:

- Add some colour to your butterfly garden.
- Not it is ready to be placed into your garden, ready for the butterflies to enjoy!
