

A Rainbow Walk

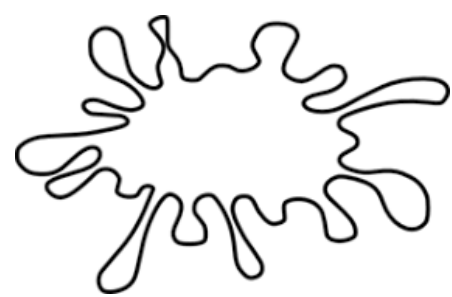

Can you find and draw things that are each of the colours of the rainbow?

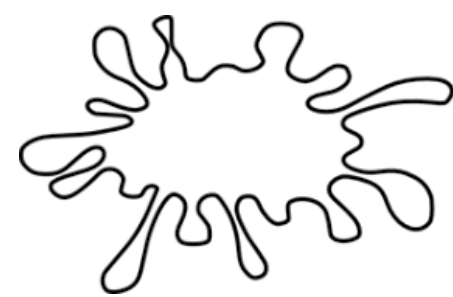

Red

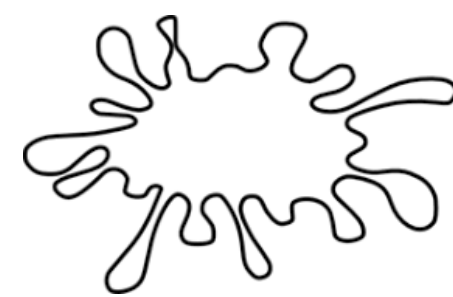

Orange

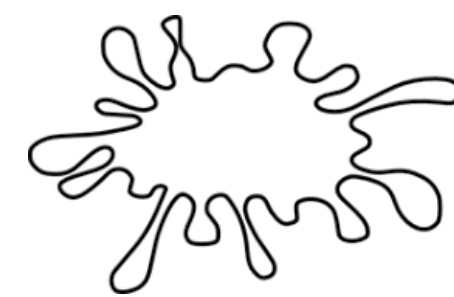

Yellow

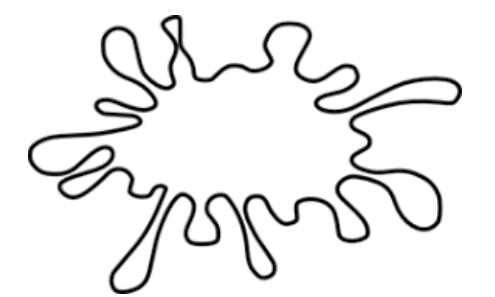

Green

Blue

Indigo

Violet

A Rainbow Walk.

Hi,

This is an activity that you can do whilst out and about in the area where you live.

If you are not able to get out you could do this in your garden.

If you do not have a garden, why not walk around your home to find an object in each room that is one of the colours of the rainbow.

If you prefer not to draw and you are into technology you could take a picture, print it and stick it on your sheet.

If you do not have a printer then you could re-create the sheet onto your own paper.

Why not compare what you find when you're out and about to what you find at home.

I hope you enjoy doing this activity.

Miss Hornsey
