

Half Term Joy!

I hope that families enjoyed the additional time over half term and were able to create family memories – hopefully not within the airport terminals!

INSET DAY - 1st July

A quick reminder that Middleton School will be closed to pupils on Friday 1st July for whole school staff training (INSET)

New Roof

We have been so proud of the pupils as they returned to school after half term to find their school looking and sounding very different. They have coped with change very well and listened carefully as staff have explained new health and safety rules. A big thank you to our roofing contractors who have been very understanding as to the needs of our pupils and are doing a great job. If you visit the school you will notice that we are not looking at our prettiest at the moment! Please take care and follow the signs to find a safe entrance and exit into school.

Platinum Jubilee

I hope that you enjoyed your own jubilee celebrations over half term. We had the best laid plans here at Middleton that the unpredictable British weather had other ideas about! For health and safety reasons (due to extreme heat) we were unable to

carry out this celebration in the way we had hoped. However, we did partake in some fun activities for a short period outside in the morning and we enjoyed an ice cream in the shade in the afternoon. The children should have arrived home with a special jubilee gift.

Fun in the stocks!

Sports Day

We were so thrilled to welcome back all parents for a whole school sports day on Friday! The children all performed exceptionally well and the

parents also showed us what they were made of in the family races! Thank you for supporting the school and helping us to have a thoroughly enjoyable afternoon.

Tales From The Chalkface!

Lower School

Lower School pupils have begun work on their new topic 'All creatures great and small'. They have enjoyed the story 'Dear Zoo' and created their own collage lions!

The children have also recalled and sequenced the story.

Pupils in lower school continue to work hard on their personal targets in small groups and 1:1 with staff.

Pupils in Robins class enjoyed a building buddies session this week.

Middle School

The pupils in Middle are busy exploring their new topic of animals. This week they enjoyed the story of 'What the ladybird heard' and made their own artwork to represent the animal characters.

The pupils also enjoyed a fabulous day out at Paradise Park, viewing animals at close proximity. We are grateful to the Rotary Club for providing us with this trip.

Upper School

The pupils in Upper School are enjoying their new topic all about 'Water'.

Middleton News

They have made water pockets to hang in the sunshine which demonstrate the water cycle. As the pockets heat up the pupils can observe the water inside evaporating. They have also enjoyed a boat trip along the river.

This week the pupils made seaside mousse in cooking!

Dates for the diary

Tuesday 28th June – Year 4 Key stage 3 transition talk – 6pm

Weds 29th June– open evening for families

Mon 11th July – M/S assembly 2.15

Tues 12th July – L/S assembly 2.15

Weds 13th July – U/S assembly 2.15

Thurs 14th July – County transition day
