Middleton School SEN Information Report June 2022

An SEN Information Report will be updated annually to reflect changes and plans within the school. The report states the current provision within Middleton School.

Middleton School is a specialist setting catering for 90 pupils with learning difficulties, autism and speech language and communication needs. (97 pupils currently on roll).

Aims and Values of Middleton School

Middleton School Will provide:

- A safe, happy, fun and secure environment in which adults and children learn through their own experiences and develop their individual interests and strengths;
- A supportive partnership with parents/carers which encourages positive involvement in all aspects of their child's development and effective management of their child's particular special needs;
- A full and balanced curriculum appropriate for every child's needs enabling each individual to develop their potential;
- An environment in which each member of the school community feels confident enough to take risks and recognise that making mistakes is implicit in the learning process. Will develop in the school community: Independence, self-confidence, self-esteem and lively, imaginative and enquiring minds;
- Understanding, tolerance, respect and empathy for social, moral, spiritual and cultural diversity, ethnicity, gender and sexuality;
- Self awareness, social skills, a set of moral values, internal discipline, the ability to know what is right and what is wrong and the understanding that rules and laws protect us and keep us safe;
- The capacity to work, play and socialise to enable each individual to become good citizens, take their place in society in an informed, positive and active way and contribute positively to the lives of those working in the locality of the school and to society more widely;
- Opportunities to develop questioning, thinking and problem solving skills;
- The necessary life skills, understanding and knowledge for each key stage within school which will eventually be relevant to transitions, adult life, employment and the wider world.

Will encourage:

- Each child to be independent, confident and able to apply themselves to tasks and physical activities;
- Positive relationships between parents/carers and staff, parents/carers and their children.
- Respect for democracy and for public institutions and services

What types of SEN do we provide for?	Middleton School is a specialist primary school designated to meet the needs of pupils with speech language and communication needs, autism and learning difficulties.
What is our approach to teaching pupils with SEN?	The pupils are taught in small groups with classrooms on average having 10 – 12 children with one teacher and 3 teaching assistants. Pupils with high needs may be in smaller groups with increased staff ratios. We use a child centred approach providing focused learning opportunities which are highly differentiated and modified to meet pupils' needs. The curriculum style, model and delivery are based on the National Curriculum however it also includes skills for independence and learning for life. These include the development of attention skills, communication, sensory resilience, empathy and sympathy, emotional wellbeing and

emotional regulation as well as personal care, safety, risk taking, self-confidence and self esteem. These are all necessary for young people to be able to function in a learning environment and in society as a whole. The curriculum also includes many opportunities for offsite learning in our local community.

Timetables and lessons are responsive to the needs of the pupils and rely on kinaesthetic approaches to learning with practical activities, workshops and visits out. A feature of the style of curriculum coverage is repetition which enables pupils to capture and assimilate the information and skills. Most pupils make significant progress on entry to school and continue to achieve at a high level up to their transition to secondary provision.

Resources

Staff are the greatest resource in the school and are expert in using strategies for overcoming barriers to learning. Staff are skilled in behaviour management and are Hertfordshire STEPS trained. They are also skilled in the use of Makaton (signing) and a variety of visual systems which support communication and learning. Support staff are encouraged to complete the Cache Level 2 and/or 3 qualifications in Supporting Teaching and Learning. The school has:

- 9 class bases
- Sensory Room
- ICT Suite
- 2 internal courtyards for the delivery of practical activities
- Large hall
- Outside classrooms
- Garden area
- Woodland area
- All weather sports area
- Playgrounds with static play resources
- Three 15 seater minibuses and one 9 seater minibus.

Trans disciplinary Approach

Within the school a range of professionals work with pupils, parents and staff to ensure that the best possible guidance is provided to encourage and support educational development.

These professionals include Physiotherapists (NHS) Occupational Therapists (NHS) Speech and Language Therapists (NHS) Consultant Community Paediatricians (NHS) School Nurses (NHS) alongside Educational Psychologists and Advisory Teachers for Autism, Visual and Hearing Impairment. The interventions and experience of a variety of professionals enable families to be fully supported and consulted which helps the school to have effective and valuable working relationships with the families of the pupils in our school community.

How do we adapt the curriculum and learning environment?

A far reaching and broad curriculum enables pupils from Early Years through to Year 6 to engage in education. The Middleton Curriculum is centred around 'learning for life' and prepares pupils for the next steps in their learning alongside preparation for their future life journey. The curriculum offers clear and extensive differentiation and personalisation, which enables all pupils to engage in the learning process. Teachers' planning focuses on the next steps for each individual child and this ensures that pupils make good progress. Pupils' progress is constantly assessed and progress is formally tracked termly and appropriate interventions put in place should further support be needed.

How do we enable pupils with SEN to engage in activities with other

Pupils have the opportunity to engage with pupils who do not have SEN through a variety of activities and approaches. These include opportunities to

compete in sporting activities alongside mainstream pupils, participation in dance and drama events and links with other schools locally including classroom visits. Students from mainstream settings also visit the school to support with events such as Sports Day and to work alongside Middleton pupils in the classroom. How do we consult parents of pupils with SEN and involve them in their child's education? The school runs a home / school book system which allows daily communication between parents and carers and the school. In addition the are three consultation evenings (one per term) held throughout the year when parents and carers can come into school, look at their child's work an talk to the class team about their child's progress. The school also encourage communication by telephone or email. Parents are invited to contribute to the annual reviews in written format as well as through their attendance at the meeting. The school also has a parent and carer handbook which suggests ideas of how a parent might help their child to engage. In addition the school has a Family Liaison Officer whose primary role is to support parents and carers of the children in school. She regularly provides information and advice to parents and carers as well as being able to support

education? They are also involved in termly target setting and review. Pupils complete
pupil view forms for their EHCP review. Pupils respond to a range of survey
and have opportunities to share their views. They are also encouraged to
take an active role in School Council.
Pupils are actively involved in assemblies and share news and achievement
daily.
How do we support pupils with SEN The school views relationships and emotional wellbeing as vital component
to improve their emotional and to learning and progress. There are good ratios of staff to pupils so that the
social development? can feel supported and valued and have their needs met. Behaviour and
anxiety management plans are created if required and staff meet regularly
maintain levels of awareness and training. The school has a significant focu
on communication as many problems arise out of frustration at not being
able to express their needs and feelings. The school is also supported by a
mental health lead practitioner.
How do we assess and review Teachers working with children in the EYFS complete the assessment cycle
pupils' progress towards their half termly to assess the progression of the individual children in the class.
outcomes? For all children the school has also developed Middleton Frameworks which shows small stops of progress within levels which we have called 'M Scales'
show small steps of progress within levels which we have called 'M Scales'.
These are also used by other local primary schools which allows for opportunities to moderate pupils' work across settings. The school also has
an assessment tool to track the progress of pupils' key skills.
Progress is reviewed formally each term and the resulting data analysed ar
additional interventions put in place if necessary.
An annual report informs parents and carers about their child's progress an
this also forms part of the annual review of the child's Education, Health an
Care Plan during which the outcomes outlined in the plan are reviewed and
amended by the class teacher and parent or carer.
What expertise and training do our There is a highly skilled and experienced workforce that consists of a range

The school provides some training for parents on various topics which might help them to support their child; these include signing and behaviour

	health and wellbeing of children and families. Within the school foyer we display relevant posters and have leaflets available to parents as and when they visit the school. This includes services for parents and clubs and activities for their child.
Where can the LA's local offer be found?	https://www.hertfordshire.gov.uk/microsites/local-offer/the-hertfordshire-local-offer.aspx
