

Parental Feedback Form (2022 cohort)

As you come to the end of your journey with us at Middleton, we would appreciate some feedback about how you have found the ride!

It is always helpful to know which aspects of your experience you have found challenging and which aspects you have valued, so that we may evolve and improve our practice.

If you could take just a few moments to complete this questionnaire we would be very grateful. It is fine to remain anonymous and a box will be available at the Leavers Assembly for you to slip it into if you would prefer not to return it to school personally.
